

SELECTION COMMITTEE:

The committee consists of members including the chairman who would oversee the process of selections for State Team.

Selections would be made in the best interest of league by promoting talented player to aspire for the regional and national team; decision will be transparent and would not be based on any personal relations.

Selection committee will not always be able to please all players, if anyone has any grievance with the selection decision, they could directly address that to the committee.

NOMINATIONS:

Each Team can nominate up to 4 players from their team. Teams should make sure they nominated players having a consistent track record which is visible to everyone. The nominated members have to participate in 70% of the practice/coaching sessions that will be scheduled.

The final MSCL state roster which will have 20 players will be posted/announced on the website or thru e-mail communication and the playing 14 for any match/series/tournaments will be identified 2 weeks prior to that tournament based on the availability and performances in the state level or league level.

SELECTION PROCESS:

Selection would be based on past performance, attendance & performance in the practice sessions. The captain, vice-captain will be selected after the final 20 players are short-listed for the season. Committee will look for someone in the final 20 who can lead the team to represent as captain and vice captain.

A Team Manager will be appointed by the committee for an outside game/ tournament, he/ she will have the authority to make any decisions during the tournament. He/ She bear the responsibility of facilitating the players while they are representing the league.

GUIDELINES:

1. The members who are selected but did not show up during the games due to circumstances which are NOT acceptable may not be selected for the rest of the season however important that player may be. Selection committee in consultation with the team captain will decide what constitute NOT acceptable.
2. Performances of players who got selected base on past results is failing in the recent games, committee could replace him from the team roster.
3. The nominated members have to participate in 70% of practice sessions to be eligible to play in state tournaments.
4. The final MSCL state roster which will have 20 players will be posted/announced on the website or thru e-mail communication and the playing 14 for any match/series/tournaments will be identified 2 weeks prior to that tournament based on the availability and performances in the state level or league level.
5. The committee would appoint the Captain and Vice Captain for State represented tournaments from the roster of available players.
6. No regular season games will be rescheduled to accommodate for the players participating in the MSCL Team. Teams have to arrange for backup players incase if their players are participating in state tournaments.

The intent of setting these guidelines for the committee is to pick the best possible team to represent MSCL in tournaments outside, while also being fair and transparent in doing so. Selection committee and/or the president of the league have the final say in picking players who best fit to represent the league.
